TO THE REFEREE:

The Social Science Research Council does not discriminate on the basis of race, creed, color, national origin, sex, age or marital status in the administration of its fellowship and grant programs. Please do not disclose any information concerning these matters in your evaluation of this applicant.

Submit this signed form and any attachments in a sealed and signed envelope to either the applicant or directly to the SSRC Japan Program at the address above. Please provide any information you feel will aid the selection committee in evaluating the applicant and/or proposal. Information particularly helpful to the selection committee includes, but is not limited to 1) how long, how well and in what capacities you have known the applicant; your assessment of 2) the strengths and weaknesses of the proposed project; 3) the applicant's past achievements and promise as a research scholar; 4) his/her academic preparation, including methodological training for undertaking the proposed project; and 5) his/her foreign language facility, if relevant.
